Do you remember the parish priest who heard your first confession or gave you First Holy Communion, or prepared you for Confirmation? Maybe he was there again when you said, "I do." He visited you or a loved one while hospitalized; he gave you courage in time of need. Our retired priests are active in so many ways, even after retirement. They dedicate their lives to us. As the priest shortage increases, the number of clergy approaching retirement age rises, but not nearly as quickly as health care needs and other expenses soar.

The annual **Good Shepherd Collection May 6 and 7** is an opportunity to thank our retired diocesan priests for their many years of faithful service. Provide them the same love and generosity that they gave to us for generations.
