The purpose of the Mother-Daughter Tea program is to provide an atmosphere of love and learning to discuss:

- ◆ growing-up and changes due to puberty
- ◆ preparing for the onset of menstruation
- ◆ accepting new responsibilities
- ◆ growing in virtue
- ◆ establishing a foundation for continued communication between parent and child
- ◆ responding to God's call
- ◆ the beauty of marital love
- ◆ the sacredness of human life

Women involved in the diocesan Natural Family Planning Program are featured

NOTE: Mothers, please use your judgment to determine your daughter's readiness for this program. Call if you have questions.
