This Classic Italian movie, dubbed in English, has been remastered & re-released to celebrate the canonization of Bl. Pier Giorgio Frassati, now scheduled for Sunday, September 7th.

Frassati was a popular young man who turned away from a life of privilege to work with the poor, suffering and homeless; courageously witnessing the Catholic Faith.

Frassati was an avid mountain climber and exemplified a great love for life, nature, and humanity. He lead youth in Italy in Catholic social justice and charitable organizations, and is the patron saint of World Youth Day. He died of the polio virus at age 24.

Join us in celebrating and learning more about one of the Church's newest formal Saints!
