

ERIE MARCH FOR LIFE

— Saturday, May 2, 2026 —

“Big or Small... Respect for All”

One-mile march and program, 10:45 a.m. to 12:30 p.m.

Assembly at Perry Square in downtown Erie

Hear U.S. Rep. Mike Kelly, State Rep. Brad Roae, Slippery Rock Mayor JD Longo, Gannon SFL President Clare Caulfield and other engaging speakers!

We will march in gratitude for the priceless gift of life, thankful for our own lives and the lives of those around us. We will march in gratitude for our nation, founded on the conviction that life is a human right that belongs to all individuals just because they are human, regardless of social status, age, state of dependency, physical or intellectual abilities, or any other artificial criteria. We will march in particular for those human beings yet to born and for their moms, who truly deserve the full measure of our love and the highest respect.
