

# Parish Census Registration Reports

PDS Church Office includes 4 Census Registration Reports. 2 are used as blank forms for new parishioners to fill out. These are typically just printed and photocopied as necessary. 2 are used to gather updated information from existing parishioners, so they have most of the information filled out already making it much easier on both the parishioner and office staff.

The four reports are:

- Family Registration Form
- Family Blank Registration Form
- Family Abbreviated Registration Form
- Family Blank Abbreviated Reg. Form

Users can access these by selecting **Reports** from the main menu, then expanding **Family Reports**, and then **Listing Reports**.

The abbreviated reports print less information in a more compact manner. All the reports let you choose specific family and member options. You can choose whether or not they are included.

Users can access this by selecting **Reports** from the main menu, then expanding **Family Reports**, and then **Letters/Statements**.
