

Priest, Prophet, King Confirmation Retreat

Sr. Suzanne Thibault, C.A. of the *Young People Who Care* ministries in Frenchville has developed a Confirmation retreat that is done online. She interacts with the students and leads the retreat over a series of Zoom meetings. The students have requirements in order to complete the retreat and receive their certificate from her. She has several already scheduled and your students can join one of those if you like. Please contact her for more information:
