

Facilities Discussion Questions

Cleaning, Sanitation, Disinfecting

- How will you ensure the building is cleaned and disinfected to safely welcome staff and students?
- How often will the school facility will be cleaned, sanitized, and disinfected to maintain staff and student safety?
- What protocols will you put in place to clean and disinfect throughout an individual school day?

New Equipment and Supplies

- How will you procure adequate disinfection supplies meeting OSHA and CDC requirements for COVID-19?
- How will you determine what and how much to procure?

Staffing Considerations

- Is the current custodial/maintenance crew able to clean and disinfect the entire school building as expected/requested in their regularly scheduled hours of work?
- Are there enough work hours allocated daily, weekly, weekends?

Training Concerns:

- What training may be needed? For whom?
- Who will do the training?
- Who in your community may be qualified and available to offer guidance and/or training? How will the measures taken to sanitize the school building be evaluated for effectiveness, efficiency, and needed adjustments?
